

BRYOPHYTES

This is a cumulative list of the Mosses, Liverworts, and Hornworts that we found on our walks, most of which were identified by Lorie Hetrick or Wayne Clark.

BOTANICAL NAME	DIVISION FAMILY	COMMON NAME (Notes)	PLACES FOUND (DATES)
<i>Anomodon attenuatus</i> (syn. <i>Pseudanomodon attenuatus</i>)	Bryophyta (Moss) Anomodontaceae	Tree-Skirt Moss / Poodle Moss	Bootleg Access Trail (10-16-23)
<i>Bryoandersonia illecebra</i>	Bryophyta (Moss) Brachytheciaceae	Spoon-Leaved Moss / Worm Moss	Bootleg Access Trail (10-16-23)
<i>Dicranum condensatum</i>	Bryophyta (Moss) Dicranaceae	Condensed Dicranum Moss	Bootleg Access Trail (10-16-23)
<i>Dicranum scoparium</i>	Bryophyta (Moss) Dicranaceae	Windswept Broom Moss	Bootleg Access Trail (10-16-23)
<i>Eurhynchium hians</i>	Bryophyta (Moss) Brachytheciaceae	Eurhynchium Moss	Bootleg Access Trail (10-16-23)
<i>Leucobryum glaucum</i>	Bryophyta (Moss) Leucobryaceae	Pincushion Moss	Bootleg Access Trail (10-16-23)
<i>Anomodon attenuatus</i> (syn. <i>Pseudanomodon attenuatus</i>)	Bryophyta (Moss) Anomodontaceae	Tree-Skirt Moss / Poodle Moss	LaBarque Creek (12-11-23)
<i>Anomodon rostratus</i>	Bryophyta (Moss) Anomodontaceae	Yellow Yarn Moss	LaBarque Creek (12-11-23)
<i>Bryoandersonia illecebra</i>	Bryophyta (Moss) Brachytheciaceae	Spoon-Leaved Moss	LaBarque Creek (12-11-23)
<i>Plagiomnium ciliare</i>	Bryophyta (Moss) Mniaceae	Saber-Tooth Moss	LaBarque Creek (12-11-23)
<i>Thuidium delicatulum</i>	Bryophyta (Moss) Thuidiaceae	Common Fern Moss	LaBarque Creek (12-11-23)
<i>Anomodon tristis</i>	Bryophyta (Moss) Anomodontaceae	<i>Anomodon tristis</i> (On live tree bark)	Pea Ridge (2-19-24)
<i>Anomodon minor</i>	Bryophyta (Moss) Anomodontaceae	Rounded Tongue Moss (On live tree bark)	Pea Ridge (2-19-24)
<i>Pylaisia selwynii</i>	Bryophyta (Moss) Pylaisiaceae	Selwyn's Pylaisiella Moss (On live tree bark)	Pea Ridge (2-19-24)
<i>Leucodon julaceus</i>	Bryophyta (Moss) Leucodontaceae	Catkin-like White-Toothed Moss (On live tree bark)	Pea Ridge (2-19-24)
<i>Platygyrium repens</i>	Bryophyta (Moss) Hypnaceae	Oil Spill Moss (On decaying logs)	Pea Ridge (2-19-24)
<i>Fissidens fontanus</i>	Bryophyta (Moss) Fissidentaceae	Phoenix Moss / Water Pocket Moss (In small tributary creek)	Pea Ridge (2-19-24)
<i>Brachythecium laetum</i>	Bryophyta (Moss) Brachytheciaceae	Pleated Foxtail Moss (On soil)	Pea Ridge (2-19-24)

<i>Campyllum chrysophyllum</i>	Bryophyta (Moss) Amblystegiaceae	Bristle Star Moss (On soil)	Pea Ridge (2-19-24)
<i>Usnea strigosa</i>	(Lichen) Parmeliaceae	Bushy Beard Lichen (On Honeylocust trees)	Pea Ridge (2-19-24)
